TABLE OF CONTENTS

I- Presentation of Children for Peace

Children for Peace (C4P) is a children and girl led movement of above 100 permanent members working across Cameroon in complex cultural systems for Children rights, gender equity and peace-building. The organization has been implementing several kind of activities and projects (including in affected areas by war) as:

- Advocacy towards governments and local authorities for the respect of UN Convention on Child Rights, Convention against Elimination of Discrimination against Women (CEDAW), UNSCR 1325 and 2250
- Elaboration and implementation of Children declaration against violent extremism and radicalisation
- Planning and organisation of C4P's field activities in coordination with the regional focal points and members and mobilization of children for peace and their rights
- Organisation of United for peace campaign in affected areas by war;
- drafting of children declaration against violent extremism and radicalization;
- Awareness raising campaigns for children and girls' rights and peacebuilding in schools, market places;
- Awareness raising campaigns against early marriage;
- Creation/production and distribution of Children Peace Cartoons
- Organisation of children capacity building workshops;
- Creation and operationalization of children peace clubs in schools, mosques and communities;
- Realization of documentaries on peacebuilding and children/girls' rights;
- Organization/coordination of several community Children Peace Camps in affected areas by war;
- Life skills/values and social/moral support to affected girls and children in conflictual/returnee and host communities;
- Organisation of several peacebuilding campaigns such as "I am standing for Peace" Campaign; United for Peace Campaign and Silence the guns campaign.
